WE'VE GOT YOUTH!

Oasis for Youth.
Changing. Working. Connecting.

Oasis for Youth 2021 Campaign

With renewed hope and determination Oasis is on the move.

This past year has been profoundly difficult for everyone, but the strength of our community allowed us to navigate it all. Through a global pandemic, a social uprising, and the total disruption to our day-to-day work that occurred when a pipe burst and flooded Oak Grove's basement and Oasis' home. However, through all of this we have continue advocating for our youth.

We strive to mirror the resilience of our youth and frequently remind them that, "We Got You!"

Following a year of amazing support from our individual donors and community partners, you have clearly told us, "We Got Oasis."

Together, we will ensure all our youth who live, work, and go to school in Bloomington, Richfield, and Edina have a trusted resource they can turn to at any time. With your support, we will work tirelessly in 2021 to increase the access to and visibility of our services.

Over the next couple of months, we will rebuild and revision our flood damaged Drop-In to be ready to re-open in July. In the meantime, our mobile outreach team continues to be out in the community, meeting youth where they are and providing resources and support.

We are launching a marketing campaign in May to reach ALL youth in the southwest suburbs and ensure they know Oasis and how to reach us.

And we are expanding our team so we have the capacity to hold the unknown of 2021-2022 and beyond. Our youth need us to be ready and we need you to help us get there.

Inspired by our mission and supported by our amazing community, we know nothing will stop Oasis!

Thank you!
